providing comfort for critically ill babies at CHEO

Kozies from Katie are packages of love made especially for critically ill babies who require intensive care at the **Children's Hospital of Eastern Ontario (CHEO)**. Please visit our web site to read Katie's story and find out how Kozies from Katie started.

Our goal is to deliver a "Kozy", filled with items to emotionally and physically nourish every baby that is in Intensive Care at CHEO. Sadly, there are over 750 babies every year.

What will each baby receive?

- 1 warm receiving blanket to keep babies cozy and decorate their cribs
- 1 super soft pair of socks
- 1 small plush toy (they cheerfully hold ventilators and lines in place AND keep baby company)
- 1 soft newborn cap
- 1 burp cloth
- a little note from Katie

All baskets will be slightly different and special for each and every baby that receives one! All items must be completely new and never used. They will be packaged in a lovely box.

We are funded entirely through generous contributions of family and friends like you.

The average cost of each "Kozy" is \$12.50 including packaging.

Our Fundraising Goal for 2009 is \$11,500

Thank you in advance for your generous help!
